At Representaciones Ana Mayor, SLU we have a long tradition and experience in the distribution of fruit and vegetables at national and international levels, based on the commitment of the best suppliers in the sector.

We have a clear focus on continuous improvement and customer satisfaction, therefore we perform rigorous checks on all our products and carry out a selection of the best fruits and vegetables in order to offer a quality product while respecting the environment.

Our experience and quality policy linked to daily improvements and monitoring of the activity that we perform, make us one of the best options for the distribution of fruit and vegetables at European level.

EXPORT

Collaboration with a large number of providers located in major areas of national production enables us to ensure the availability of a wide range of products throughout the year.

We manage the whole process and operations involving fruit and vegetable exports from origin to final destination, ensuring compliance with current legislation and performing quality checks on origin and destination. All this to ensure compliance with the specifications agreed with our customers.

DISTRIBUTION

We offer you our entire infrastructure of cold distribution with which we can place the product in record time anywhere on the European map.

In addition to our network of posts, we have a sales system in groupage which we use to adapt to the needs of each client.
